ADVANCED OUTER SPACE WEEK

Grammar for this week:

REVIEW: Sequential numbers: First, second, third, fourth, fifth, sixth, seventh, eighth, ninth, tenth & **Simple Past:** Take the base verb and change the word form to the past tense form. This means adding /-ed/ to the end of the word. However, there are irregular verbs with different past tense forms. (Example: I **entered** the rocket.)

Irregular Past Use the following verbs to make sentences about outer space.
go/went, build/built, see/saw, meet/met, lose/lost, be/was, have/had, hear/heard, fly/flew, begin/began, shoot/shot, do/did, feel/felt, know/knew, make/made, drive/drove, run/ran, shake/shook, sleep/slept, speak/spoke, understand/understood, get/got, hit/hit (**Examples: We built our rocket./We spoke to the aliens**)

Remember to have mom/dad send your challenges to your Casita manager daily via Whatsapp!

Monday: Tell us two facts about your favorite planet!
Tuesday: Imagine your life as an astronaut. Explain to us your daily routines.
Wednesday: Tell us about your moon journal.
Thursday: Can you make a story about your journey to space using 5 irregular past tense verbs?
Friday: Send us a picture of your planet pizza!
